DEPUTY SHERIFF LEE

KILLS THREE NEGROES

Wholesale Killing At Big Rock, Tennessee, By Stewart County Officer Thursday Night.

Lafayette, Ky., May 21.—A wholesale killing occurred last night at Big Rock, Tenn., a few miles from here, three negroes named Howell being killed by Deputy Sheriff Lee, of Stewart county. Lee, accompanied by Constable Barnett and a special officer named Cherry went to Big Rock to arrest one of the Howells for chicken stealing Thursday night. They found four negroes named Howell, either brothers or cousins, together and they resisted the arrest of the one wanted. In the general mix-up that followed, Barnett and Cherry were both thrown down and the negroes were about to take their pistols away from them when Lee opened fire on them, killing two instantly and wounding another so badly that he died yesterday morning. The fourth negro ran and escaped. Lee is a young man of slight build, about five feet and eight inches in height.

A BIG SALE IS UNDER WAY

About 10,000 Hogsheads of 1908 Tobacco Is Being Selected.

SEVERAL BUYERS IN.

Hopkinsville Will Come In For a Share, Probably 1,000 Hhds.

Big sales of Association tobacco are being made this week in all markets in the dark tobacco district. Representatives of the American Tobacco Company, the Italian Regies and the Spanish Government are going over the district inspecting types of tobacco controlled by the Association and making selections. It is estimated that the sales during the week will aggregate 10,000 hogsheads, and they may even go higher. It is thought that between 3,500 and 5,000 hogsheads of tobacco will be sold at Clarksville. Stocks there are estimated at 7,000 hogsheads. One buyer desires all of the low lugs, while others are after the leaf.

The inspectors are busy sampling the tobacco, and the entire sale will be closed up within ten days. About 350 hogsheads have been opened here and the sales are expected to amount to 800 or 1000 hogsheads. The stocks are 2000 hogsheads of new and 150 of the old crop. About 400 hogsheads have been heretofore sold of the 1908 crop.

Ben Franklin said that "the road to wealth is as straight as the road to market," if you know what road to take, which would be the road to a good savings bank like the Commercial and Savings Bank.
